

The Board of Directors of Fair Hill International (FHI) announces the resignation of Executive Director Carla Geiersbach and would like to thank her for exemplary service to the organization.

“Carla’s fiscal responsibility and tireless commitment to FHI these past three years has revitalized the foundation of the organization, especially in this all important 30th anniversary year. Her work with outside groups has strengthened our partnerships with the community and numerous government agencies, and has taken FHI to a whole new level,” said FHI President Trish Gilbert. “We wish Carla the best of luck in her new endeavors and hope to see her volunteering at events here at Fair Hill. The Board is already working on the transition process.”
